Sd.

oint Director of Animal Husbandry,
Madras.

Copy of letter Roc. No. 1596-IV/46 dated 16-6-48 from the Joint Director of Animal Husbandry, Madras to the Deputy Secretary to Government, Development Department, Madras.

Sub:- CATTLE FOOD- Preparation of malass cakes.
Ref:- Government Memorandum No.17273-E/46-17 dated 9-12-47.

-o-

The Deccan Sugar and Abkari Co., Ltd., Madras in their letter dated 24-5-48 has informed this office that they have heard from their Pugalur factory which is said to have promised to start the experiments on mechanical mixing of the ingredients and that they would write further as soon as the experiments are completed.

I do not think it worth while manufacturing Molass cakes as it is not a balanced food and it is likely to have deleterious effects on animal fed with them.

It would be much better in these days of fuel shortage if molasses produced by Sugar stations in this province are utilized for making power alcohol.

In these circumstances, I am asking Messrs Parry & Co not to proceed with their experiments until they hear from us again.

True Copy.

Sd.
Joint Director of Animal Husbandry,
Madras.

NOTE FILE:

With reference to a proposal from the Government of India, Department of Food in March 1946 in regard to the supply of "Bago Molasses" for feeding cattle, in this Province from United Provinces and Bihar, this Government in consultation with the Director of Agriculture and Director of Animal Husbandry informed the Government of India in June 1946 that it was not considered necessary to place any indent for the above product from outside the Province and that the question of manfacturing the product in this Province was being taken up with Messrs Parfy & Co., - the Director of Agriculture however, suggested that the manufacture of a more useful product called "Molass cake " may be taken up in preference to 'Bago Molasses' - the Director of Animal Husbandry was accordingly asked to consider in consultation with Messrs. Parry and Company the feasibility of manufacturing 'Molass cake ' if necessary in preferance to 'Bago molasses'. The Jt. Director of Animal Husbandry does not consider it worthwhile manfuacturing 'molass cake' as it is not a balanced food and as it is likely to have deleterious effects on animals fed with it.

The papers may be recorded. A draft order is put up on p 29 cf. for consideration. Food may see before issue.

Food.

Notes of Development at pp 1-2 above and the draft order p 29 cf. may be perused. No special remarks seem called for in this Depa rtment.except that a copy of the G.O may be sent to Board of Revenue for information. The file may be returned to Development.

Development Department.

The draft order on p 29 cf. may now issue.

xxxx
